## **PUBLIC MEETING: TRC Schedule**

**Date/time:** Tuesday, October 4th, 6:30-8:00 pm

**Location:** Room 1107, One Judiciary Square, 441 4th Street NW.

**Background:** The DC Tax Revision Commission staff were hired in September 2022 with the goal of finishing the DC Tax Revision Commission work by late 2023. A draft schedule of the research, expert briefings, and public input was created. These items are scheduled for completion by March 2023. In April and May, TRC staff will develop policy proposals to present to the Commissioners. During the summer, Commissioners will deliberate on which policy proposals to submit to the DC Council. Recommendations will be approved and submitted to the Council from October to December 2023. The details of this plan will then be discussed by Commissioners after being introduced by TRC Research Director, Nick Johnson.
